WHAT THEY ARE SAYING

Not all things can be explained with ingredients, lists or charts. We take our feedback from the field very seriously! Check out what our team has to say about their experience with NEURO STIM.

"I was skeptical when I received my NEURO STIM sample. I was expecting some energy improvements, but I didn't expect the other benefits that I experienced. I just seemed more dialed in and aware of what was going on. It's definitely going to be a part of my supplement routine. I wish I would have had NEURO STIM while I was at UCONN; it would have come in handy for school, practice and especially game day."

Trey Rutherford (CFL)
@treyrutherford77

"I work long shifts, and my schedule is always changing. Some days I don't have a lot of time to adjust to new work schedules and in my line of work, I just can't afford to be zoned out. I noticed right away with NEURO STIM that it was more than just an energy product. I could actually feel my concentration and focus improve. I take my workouts

as serious as my police work, and being able to manage my workload without making compromises on my training schedule is essential. I stacked NEURO STIM with my Mammoth PUMP and my workout went up to a whole new level."

Cass White (Strength Athlete & Deputy Sheriff)
@the_casswhite

WHO USES NEURO STIM?

We knew early on that NEURO STIM was a product that would be useful for all kinds of users. Thankfully, our athlete team LOVES to beta-test Mammoth products. Our athletes come from all sorts of professions and backgrounds; some are police officers, some are firemen, some are athletes and some are busy professionals. While we were tweaking NEURO STIM we got very positive feedback from the following user groups.

WHEN TO USE NEURO STIM

- ✓ First thing in the morning, to replace your morning coffee
- ✓ Fantastic to use before your workouts
- ✓ Awesome for late-night studying, cramming for exams and project deadlines
- ✓ Perfect for Fortnite and other gaming tournaments and sessions
- ✓ Perfect for high-intensity sports such as basketball, hockey and lacrosse

Do you have a unique profession that would benefit from using NEURO STIM? Did you discover another way to use NEURO STIM? Follow us on social media and let us know about it. If we like your contribution and use it, we will send you some free Mammoth gear and product.

FIELD-TESTED FOR ACTUAL RESULTS

Mammoth has an extensive team of beta-testers and athletes. This team gives us the distinct advantage of being able to test our products in the field in real-life scenarios. NEURO STIM was extensively tested on a number of parameters before we even considered bringing it to market.

†The above test results are based on asking our beta-testers to mark a score on each of the above markers (energy, focus, mood, memory, performance). The users were asked to mark their scores before and after using NEURO STIM... the results speak for themselves!

"I find some energy products go too overboard. When I took NEURO STIM, I was pleasantly surprised that the energy it gave me was smooth but noticeable. I also noticed a nice elevation in my mood. NEURO STIM is the first product that I have taken that really helps with my focus and concentration, which, as a student and fitness athlete, gives me what I need to get through my busy days. I was impressed with how good the formula tasted."

Crystal Roberts (Mammoth Fitness Athlete and Student)

OUR FORMULA

Mammoth NEURO STIM is a convenient, powerful and potent premium-dosed nootropic (brain function support) drink mix. NEURO STIM is designed to keep you energized with laser focus and concentration to help you perform better in everything you do.

Medicinal Ingredients / Ingrédients médicinaux:

Serving size 1 scoop (4 g) / Par portion individuelle (1 mesure / 4 g).
Servings per container: 60 / Portions par contenant: 60

Amount per Serving / Quantité par portion	
L-Glutamine / L-glutamine (neurotransmitter precursor / précurseur de neurotransmetteur)	1000 mg
Choline Bitartrate / Bitartrate de choline	500 mg

Fruit Punch

Clear Raspberry

OUR INGREDIENTS

Energy Memory Focus Cognition Mood Performance

1000 mg | Glutamine 🧠 🏃
Plays a supportive role in the production and maintenance of the brain neurotransmitters glutamate and GABA, impacting cognitive function and relaxation.

500 mg | Choline 🔍 🧩
Powerful brain booster that is the precursor to the neurotransmitter acetylcholine, which is associated with memory and concentration.

300 mg | N-Acetyl Tyrosine (NALT) ⚡ 🔍
Helps replenish catecholamine neurotransmitters (epinephrine, norepinephrine and dopamine) that are depleted with stress. Catecholamine neurotransmitters promote focus, alertness and energy.

100 mg | DMAE (Deanol) 🔍 🧩
Has antioxidant activity that is supportive to brain and neural health.

63 mg | Theacrine ⚡ 😊
Has a similar mechanism of action to caffeine, but longer duration of effect. Increases dopamine levels, improving motivation and reducing fatigue.

200 mg | Caffeine ⚡ 🧩 🏃
Mental clarity and focus-enhancing effects.

100 mg L-Theanine 🔍 🧩 😊
When L-theanine is paired with caffeine, it mitigates negative side effects associated with caffeine such as jitters and hyperactive energy. It promotes better focus and attention span.

100 mcg Huperzine A 🧠 🧩 🏃
Improves memory, faster recall and concentration by increasing acetylcholine levels in the body.

5 mg Piperine 🏃
Intensifies the effects of the other nootropic ingredients. Slows transit time within the digestive system to maximize absorption of other ingredients in the formula.

150 mg Lion's Mane 😊
A restorative ingredient that is neuroprotectant and supports memory and recall by increasing the amount of nerve growth factor (NGF) in the brain. (NGF helps with the proliferation and maintenance of neurons.)

DRINK SMART OUTPERFORM YOUR ENERGY DRINK & SAVE

Most energy drinks are full of sugar and caffeine that will only give you quick energy... followed by an equally quick crash. NEURO STIM does more for a lot less. Not only will NEURO STIM give you sustained, crash free energy, but it will also give you increased capacity to think and feel better!

	NEURO STIM	Monster Energy	Red Bull
Cost per serving	\$0.83	\$2.86	\$2.67
Cost per 30 Days	\$24.90-\$49.99 (1-2 servings)	\$86.80-\$171.80 (1-2 cans)	\$80.10-\$160.20 (1-2 cans)

Nootropic (Brain Support) Ingredients	✔️	❌	❌

* NEURO STIM's formula uses three different caffeine sources for sustained energy.

**NEURO STIM uses a specially formulated sustained-energy caffeine blend that includes theacrine. Our caffeine blend and zero-sugar formula reduces the "crash" effects commonly associated with energy drinks!
